

**Greater London OES Club Open Show (morning show) 18.6.17**

Firstly I would like to thank the committee for their kind invitation to judge at this show and for the warm welcome and lovely atmosphere. Also a big thank you to all those who entered their dogs under me and to my ring steward Jenna Higgins for the efficient running of the ring. The weather was so hot and very testing for the dogs.

Loved this bitch as a puppy and she didn't disappoint on the day. Smaller type, balanced, very compact with pretty feminine expression, with pear shape when viewed from above. Lovely head properties, square with broad muzzle, dark eyes full pigmentation, excellent stop and correct bite. Well bodied, boned and good depth of brisket, with nice rise to her topline.
